

Following in the footsteps of ICCE-2011 Zurich, the Division of Chemistry and the Environment of the EuCheMS organizes the Barcelona International Conference on Chemistry and the Environment ICCE 2013 which will take place 9-12 June 2013. This meeting will bring together the most relevant international environmental chemistry scientists to discuss on the most important topics of this area.

The expected attendance is higher than 500 delegates

The local organization will be carried out by the Catalan Chemical Society and the Spanish Royal Society of Chemistry:
